Resto Coatings International Training Courses / Business Opportunity

Driveway refurbishment is one of the protective coatings industry success stories of recent years with Resto Coatings leading the way. We are experts in the formulation and application of sealers and protective coatings to all hard surfaces

(including block paving, tarmac, natural stone, imprinted concrete, internal slate, graffiti removal and coatings, durable wall coatings, etc). Our extensive range Resto ® Coatings has been custom formulated and designed. Resto products have been well tested providing the quality that will last for years unlike many alternative products. There is plenty of business opportunity as we serve both domestic and commercial customers.

Training Information

Resto ® installers are required to complete a specialised training course. The aim of the course is to provide the trainee with all of the required skills to drive their business. Our experts will provide training in the effective refurbishment of driveways, provide an insight into marketing and sales development, health and safety awareness, presentation and surveying. Good comprehensive training is of paramount importance in the correct surface preparation and application of protective coatings. Upon completion of the training the trainee will know how to prepare the different surfaces, know what coatings to use, know what potential problems need to be avoided, know how to

present their services and draw up accurate job costings as well as gain a business insight that will provide a basis to operate effectively and profitably.

*Training sessions are informal and include hands on involvement.

What else will you get?

You will receive 1 Resto Coatings sales presenters including before and after pictures, a Resto Coatings manual, templates for marketing leaflets, invoice, quotation pads and the Resto Coatings approved installer certificate.

Add-on Services

We offer a number of add-on services that may help develop your business. We also manufacture and supply such a vast range products and many are not covered in the standard training. We do however hold regular open training days to introduce new coatings allowing you to maximise your knowledge and expand your business services.

What Qualities should you have?

Running your own business requires several key qualities if the business is to be successful. Key qualities require you to be self motivated with a desire to run your own business, be prepared to work hard, make decisions and be well organised, have a friendly personality with good communication skills combined with sales technique.

Frequently Asked Questions

- **Can we visit before making a decision?**

Yes, we openly encourage people to visit and talk to us.

- **I am travelling a fair distance, is there accommodation nearby?**

Yes, we have an arrangement with a local B&B just a few minutes away to provide accommodation for £25 per night. Alternatively if you prefer to organise your own accommodation there are various hotels in the area.

- **Are you far from either Belfast International or Belfast City Airport?**

We are a 25 minute drive from either airport so flying is a viable option. We are also only a few minutes from Port of Larne if Ferry travel is an option.

- **Do I need to wear special clothing?**

The only requirement is to wear work shoes with toetectors. Oilskins, wellington boots and old clothes are also recommended.

- **Do I need to bring any equipment or tools?**

We will supply all the tools and equipment required for the course.

- **Are there any extra charges?**

No, all our courses include the use of tools and materials, lunch is also included.

- **Can I really make good money with this business?**

If you are prepared to put in the hard work we will provide the training and expertise to set you on your way.

- **Can we purchase tools and equipment at the training centre?**

Yes under no obligation you can purchase equipment at very competitive prices from our training centre. We also provide advice should you need it.

- **What is Resto Coatings?**

We are the manufacturer and supplier of various coatings. We have our own operators under the brand name of Driveway Restore.

Frequently Asked Questions cont...

- **Is this a franchise?**

This is not a franchise, you will not have to sign any contracts or confidentiality agreement or pay management fees.

- **Will there be any technical advice after the course?**

If you purchase our products, we are always available for product and application advise.

- **Is this business profitable?**

If you put in the hard work then this business can be very profitable. This business can also be an add-on to an existing business. This business is so lucrative that some companies ask up to £20,000 for a franchise.

How to Book

The cost of the course is £195 + VAT per delegate and payment is required in advance by cleared cheque, credit or debit card. Places on the course are strictly limited to a maximum of 5 delegates. If you would like to attend you can arrange a booking by calling +44 (0) 28 28269590.
